

We recommend all clients and visitors travelling to TrainingPoint would enter the Business Park via the **Ballycummon Roundabout.**

There are two entrances to Raheen Business Park but the Ballycummin Roundabout Entrance accesses Phase 2 of the Business Park and is a more direct route to our Training Centre.

**If you happen to enter the Business Park at the older, Phase 1 entrance via Casey's Furniture Store – pass Analog Devices and follow the signs for the FAS training Centre and then Dell – take the second exit at the Dell roundabout and pass Exertis (formerly Sercom Solutions.)*

TrainingPoint is next door in the Portal House building.

Any problems - call us on 061 498919 - thanks
